## INTERNATIONAL CONFERENCE

# SMART SYSTEMS FOR SUSTAINABLE DEVELOPMENT

**SmartSSD-2026**

(4<sup>TH</sup> – 5<sup>TH</sup> APRIL 2026)

"Building a Smarter, More Sustainable Future Through Innovation and Technology"

## WELCOME MESSAGE

We are pleased to invite you to the International Conference on Smart Systems for Sustainable Development (SmartSSD-2026), a premier global platform organized by MHSS College of Engineering under the aegis of Anjuman-i-Islam.

This conference brings together researchers, academicians, industry professionals, and policy experts from across the globe to discuss innovative technologies and smart systems that drive sustainable development and environmental responsibility.

As we address critical challenges of climate change, resource management, and technological advancement, SmartSSD-2026 serves as a vital forum for exchanging cutting-edge research, exploring emerging trends, and collaborating on solutions that contribute to a more sustainable future.

Join us for an enriching experience featuring keynote addresses from industry leaders, technical paper presentations, interactive workshops, and invaluable networking opportunities.

# ABOUT THE INSTITUTION

## M. H. SABOO SIDDIK COLLEGE OF ENGINEERING

Anjuman-I-Islam's M. H. Saboo Siddik College of Engineering (MHSSCE) stands as a distinguished institution committed to delivering quality technical education and shaping ethically grounded engineers of tomorrow. Located in the heart of Mumbai, MHSSCE is governed by Anjuman-I-Islam, a historic educational conglomerate established in 1874 to uplift underprivileged communities through academic empowerment. The Saboo Siddik Campus, established in 1935, was made possible through the generous endowment of Late Mohammed Haji Saboo Siddik, a visionary philanthropist whose dream was to advance technical and industrial education among the youth of the nation.

The college is affiliated to the University of Mumbai, approved by the All India Council for Technical Education (AICTE), and by the Government of Maharashtra Directorate of Technical Education (DTE). It has earned prestigious NBA Accreditation for four of its eligible branches, Civil, Mechanical, Electronics and Telecommunication, and Computer Engineering, and NAAC Accreditation for 5 years, underscoring its commitment to academic excellence, transparency, and continuous improvement.

### VISION

To be an institute of global repute committed to the cause of nation building through technology based education.

### MISSION

To be enabler of creation and dissemination of futuristic knowledge in technology through research and quality education.

## ABOUT THE CONFERENCE
